

Pontificia Università Urbaniana

The entire Academic Community of the Pontifical Urbaniana University is very saddened by the news of the painful death of Michael Nnadi, a seminarian of Good Shepherd Major Seminary in Kaduna, Affiliated to our Faculty of Theology.

We are very much united with the whole Seminary and with Michael's family in this time of sorrow. May God give them sufficient faith and strength.

May Mary, our Mother, console and encourage them to face this challenging time. We pray for Michael's eternal repose.
